1994 (declined) Post-doctoral fellowship from the Ministry of Education and Science, Spain (US\$20,000)

1993 Elected to Delta Omega Public Health Honor Society

1992 - 1993	Indiana University Center on Philanthropy award for dissertation support (US\$12,000)
1990 - 1992	Schepp Foundation award for doctoral studies support (US\$15,000)
1991	Rockefeller Archive Center research grant (US\$1500)
1988-1990	Johns Hopkins University School of Public Health, full tuition award
1987 - 1988	Rotary Foundation Fellowship for MA study, University of Canterbury, NZ (US\$10,000)
1986	Winner, Student Essay Award, American Jewish Historical Society

WORK IN PROGRESS:

Historical projects:

Emergence of the child health/child rights movement from the perspective of Uruguay (book manuscript in preparation)

A Short History of International and Global Health: An Americas Perspective (co-authored book project with Gilberto Hochman) (advance contract, Oxford University Press), projected English, Portuguese, Spanish, and French versions

Primary health care, social justice, and international health politics in the 1980s and 1990s (series of articles)

Contemporary global/international health policy and politics projects:

Social Justice-oriented South-South Cooperation (Global Health Diplomacy) (series of articles)

Rethinking the politics and possibilities of global/international health <for the people> (series of articles)

Extractive industries and global health governance
